

A firefighter wearing a yellow helmet and a dark jacket is shown in profile, looking towards a black KnoxBox mounted on a wooden door. The box is open, revealing a gold key and a warning label. The background is slightly blurred, showing an outdoor setting with greenery.

# TEN REASONS TO INSTALL A KNOXBOX

**Knox and your local fire department are working hand-in-hand to offer the best in fire protection and the finest in fast and secure emergency access.**

- 1.** Eliminate needless, costly forced entry damage that may not be covered by your insurance deductible.
- 2.** Assure immediate building entry by firefighters without delay or waiting for building keys.
- 3.** Protect inventory, equipment and supplies from unnecessary water damage caused by delayed sprinkler shut-off.
- 4.** Satisfy local fire codes and emergency access ordinances.
- 5.** Save time and aggravation by not having to drive to your building at 2:00 am for a false alarm.
- 6.** Feel secure about emergency coverage when your building is left unattended. The fire department holds the only key to the KnoxBox.
- 7.** Maintain building security after a fire alarm investigation by simply re-locking the undamaged door.
- 8.** Protect your property from thousands of dollars in damage with this one-time, low-cost investment.
- 9.** Depend on the highest lock box security available with attack resistant, UL tested reliability.
- 10.** Over the last 40 years, KnoxBox has been the chosen solution in more than 14,000 communities nationwide - communities just like yours!

**Please join us for one of two informational meetings.**
